Intermediate (10+2) | CBSE   2018 - 2019 | Percentage - 66%

EXPERIENCE

Teachnook | August ,2022 - November,2022

INTERN FULL STACK WEB DEVELOPER

- Developed two web applications, including a Tourism website and a Weather website.
- Solely responsible for the UI/UX design of both applications.

PROJECT

GROCERIES REACT APP
- Developed as an individual project, this endeavor showcases my skills in React JS, showcasing expertise in building responsive and dynamic user interfaces.
- Integrated a RESTful API for real-time grocery data, demonstrating proficiency in connecting front-end interfaces with back-end services
- Implemented effective state management
- Designed an intuitive user interface using CSS and styled-components

REST-API FOR BOOK MANAGEMENT

As an individual project, I conceptualized, designed, and implemented a robust and scalable RESTful API tailored specifically for managing books.

CONTACT MANAGER- CONTACTWISE

- Spearheaded the development of a contact management web application using Spring Boot, showcasing expertise in building robust and scalable back-end systems.
- Database Integration and CRUD Operations
- Implemented security measures, including authentication and authorization, to ensure data privacy and access control within the contact management system.
